## REPORT FROM THE MT. CAESAR UNION LIBRARY

Circulation of library materials consisted of 13,096 books, 873 magazines plus several 8 and 16 mm films, cassette tapes, pamphlets, maps and records. A new service added this year is the circulation of jigsaw puzzles which can be borrowed for a period of two weeks. There have been 131 new registrations this past year, and these individuals are now using the library. Residents from all parts of Swanzey are encouraged to use the resources of the library.

Recently published books are currently available each month through the McNaughton Book Service. Materials not in the Mt. Caesar Union Library are borrowed from other libraries on interlibrary loan as well as from the State Library in Concord and the Keene District Book-mobile office. The Bookmobile visits the library three to four times a year when 1000 to 1500 books are selected each time to supplement the collection at the library.

The annual Summer Reading Program had as its theme "Swanzey-Past and Present", and an enlarged map of Swanzey, done by Peg Hanrahan, was used showing over 100 places of interest, some past and some present. Gail Talbot conducted the closing program using several anecdotes from the town's history. "Adventure Time" Story Hour was conducted weekly after school for the children in grades 1 through 3 with the help of Hazel Fuller, Gail Talbot, Jane Johnson, Cal Coughlin, and several other resource persons. The library received first prize at the Cheshire Fair with its display created by Hazel Fuller, assisted by her husband, Robert Fuller. The Librarian has served as counselor to several Boy Scouts who were earning their Reading Merit Badges.

Assistant librarian, Eleanor Collins, has completed three courses in Library Techniques offered by the State Library.

It is hoped that with the town appropriation as shown in the warrant, the library can be open an additional 4½ hours for a total of 24 hours weekly.

Present Library Hours are:

Monday, Tuesday, Wednesday and Thursday  
afternoons: 1:30 to 4:30.

Monday, Tuesday, and Thursday evenings:  
6:30 to 9:00.

Respectively submitted,

## SWANZEY VISITING NURSE ASSOCIATION

It has now been four years since the SwanzeY Visiting Nurse Association was reactivated, and it seems appropriate at this time to evaluate ourselves in terms of accomplishments and to seek directions towards which to move in the future.

During the four-year period, 1972-1975, the patient load for our nurse, Priscilla Gloeckler, shows increases as follows: 403, 1203, 1460, 1621. The age group served is primarily over 50 years. The type of visits are mostly direct care and health supervision. The physical therapist and the Home Maker Home Health Aide Program has been used each year by several patients. This indicates the kind of service being given to older people who are ill and home-bound.

Other Public Health Services which the Association is providing are: Immunization Clinics, Blood Pressure Clinics, Diabetic Screening Clinics and Dental Hygiene Clinics.

During the past four years there have been three or more Immunization Clinics held in SwanzeY. The number of children immunized per year has dropped from 32 to 18. We still believe that there is a need for this service in SwanzeY, but we have not found a way to adequately meet this need.

In 1973 there were Diabetic Screening Clinics in SwanzeY. 332 people were tested. In 1974, Mrs. Gloeckler and Mrs. LaRochelle had a blood pressure clinic and cared for 29 people. Hopefully these clinics will be continued.

Dental Clinics for pre-school children through grade six are now planned on an annual basis. The Monadnock Dental Hygiene Association and school nurses administer this program in the Monadnock Regional School District. A professional dental hygienist, under the supervision of the State Dept. of Health, will clean teeth and apply topical fluoride. Education on good dental care will also be provided. The SVNA actively participated in the organization of the Monadnock Dental Hygiene Assoc. and the dental clinic. We also contributed towards purchase of dental equipment.

Our Association received contributions which made it possible to build a ramp and to purchase an electric wheel chair for a multiple sclerosis patient in SwanzeY. This was done in memory of Miss Catherine Napsey, a former District Nurse in SwanzeY.

It is encouraging to review the progress made in the field of health over a four-year period. It is also wise to face the possibilities in the future.. Public Health Services can be greatly expanded in Swanzy. To do so more people must become aware of health needs. More people must show an interest in and a willingness to become involved in Public Health Services.

Louise Hills, Pres.  
Margaret Ackerman, Sec.  
Roger Conway, Treas.

## SWANZEY AMERICAN REVOLUTION BICENTENNIAL COMMITTEE

This committee was formed in April 1974. Since then we have been busy recruiting members and raising funds to support our projects. We have not in the past nor will in the future ask for town funds to support our activities.

Our main purpose in planning these projects was to promote more community spirit and understanding and celebrate America's Bicentennial in a constructive and meaningful way for Swanzey. We started out with an emblem contest in February of 1974. Carole Davis designed the winning emblem in the adult division and Diane Wheelock was the winner in the children's division. The winning logo in the adult division appears on Swanzey's "Bicentennial Buckets". These buckets will be a collector's item that we have been selling since August of 1975. We made only 500 of these buckets and each person that buys one registers his name. This list will be preserved so that future generations will hopefully be able to locate some of them. The buckets are available at the town hall during the Town Clerks regular hours.

On September 20, 1975 the Swanzey Bicentennial Committee sponsored a "Spree-for-all". This was held at the Cheshire Fairgrounds and included apple bobbing, greased pole climbing, fire engine rides, cart rides, etc.; also a chicken barbecue, band concert, bon-fire and a sing-a-long with a dance for all ages in the evening. Admission price for the days events was only 25¢, hopefully enabling anyone to attend. We had many requests to make this a yearly event and if the community spirit in years to come matches this year, there is no reason for it not to become a tradition.

Perhaps our largest project so far has been painting and sprucing up Swanzey's covered bridges. This project drew a great deal of support from residents of the community. The Cresson Bridge had its face-lifting in May, the Carleton Bridge in June and the West Swanzey Thompson Bridge in October. Over 150 people put 137 gallons of paint on the bridges. Our youngest participant was 7 and the oldest was 70. We raised \$600 and the New Hampshire American Revolution Bicentennial Committee awarded us a matching grant to help furnish the materials. Hopefully, we will be able to keep an on going committee to care for these bridges as needed, year after year.

At present we are trying to plan and put together a Swanzey Bicentennial booklet. Hopefully, this booklet will contain interesting events that have happened in Swanzey, plus a chronicle of bicentennial projects and

other attractive features.

We are also planning a Sunrise Celebration to be held at the Potash Bowl on July 4, 1976, followed by a pancake breakfast. Plans for this event are incomplete, but we have grand ideas at present and hopefully, with enough community support we will be able to carry them out. We are especially looking forward to this event as a unique and meaningful way for Swanzey and surrounding communities to celebrate our nation's 200th birthday.

We would like to thank the Selectmen of Swanzey for their encouragement and support in the past year and a half and look forward to working with them in the future.

We would also like to invite anyone that is interested in helping and planning Swanzey's Bicentennial Celebration to attend our monthly meetings which are held on the second Tuesday of every month in Friendship Hall, Congregational Church, Swanzey Center at 7:30 PM.

Respectfully submitted,

Carl A. White

## SWANZEY CONSERVATION COMMISSION

During the last year the Swanzey Conservation Commission has turned over to the town the operation of the glass recycling bins and the paper shack at Wilber's Store. Just before this happened, we put together and had published a brochure full of helpful hints as to how refuse could be handled at home before delivery to the Recycling Center. We did this so that the public would get a better understanding of how to separate refuse and how important the Recycling Center is.

It is our belief that the only way all taxpayers will benefit from recycling is by using the Recycling Center properly. All materials sent to Keene, no matter how you send them, are weighed and charged to the Town of Swanzey. Some people are paying twice, once to the carrier and once in higher taxes. If all citizens used the Recycling Center properly more materials could be sold to defray the expense of running the Center and less would be compacted and shipped to the Keene Land Fill.

Some of the commissioners have been working on bicycle paths, cooperating with the Planning Board and Board of Adjustment and attending open space meetings. We also have been making plans for green belts along our major rivers and programs for the public on energy.

The Swanzey Conservation Commission is always open to your suggestions and invite you to attend our meetings at the Swanzey First Congregational Church, 7:30 in the evening, on the second Wednesday of each month.

A town is only as successful as the people who live there want it to be.
